100 sq.m. | Bathrooms: 1 | Bedrooms: 2 | Rooms: 3

Milan, Via Caroncini, in the immediate vicinity of Via Tertulliano, we offer for sale a refined apartment located on the seventh floor of an elegant residential building surrounded by greenery, equipped with a lift and concierge service.

The home stands out for its extraordinary brightness and splendid open views of the city, features enhanced by the height of the floor and the favorable exposure that guarantee natural light throughout the day.
The well-organized and highly functional interior spaces open onto a welcoming entrance hall that leads to the spacious living area, divided into a conversation area and a dining area. Large windows create continuity between the interior and exterior and provide access to the spacious panoramic balcony, also shared by the separate eat-in kitchen.
The well-appointed sleeping area, equipped with practical wardrobes, features a comfortable double bedroom and a second bedroom, both featuring large windows and opening onto the second balcony with pleasant views of the communal greenery. The master bathroom with window completes the sleeping area.

The apartment features quality finishes, including parquet flooring, triple-glazed PVC windows, independent hot/cold air conditioning, and central heating with metering.

A cellar completes the property.

The location represents an added value thanks to the presence of numerous services and excellent connections to the rest of the city, guaranteed by the proximity to the Lodi M3 yellow metro stop, the new M4 blue line, as well as several bus and tram lines.
An ideal solution for those who want to live in a quiet, green setting without sacrificing the convenience of amenities and proximity to central Milan.
